

# Cholestinal™

Blood Lipid Support Formula with TRAACS® Magnesium

## Key Benefits of Cholestinal™

- Support for Maintaining Healthy Blood Lipid Levels
- Promotes Optimal Vascular Health
- Supports Healthy Platelet Function and Blood Circulation

**Cholestinal™** offers support for maintaining healthy blood lipid levels and cardiovascular health. This formula features policosanol, a natural compound extracted from sugarcane wax that has been shown to support factors related to healthy cardiovascular function. Additionally, this formula contains TRAACS® (The Real Amino Acid Chelate System) magnesium lysyl glycinate chelate and di-magnesium malate by Albion® Advanced Nutrition to offer further support for overall cardiovascular health.
